About Our Service

MUFG Corporate Markets has partnered with Deutsche Bank to provide you with a service that can convert your dividend into your local currency and pay them quickly and securely into your bank account.

Deutsche Bank 

Benefits

There are many benefits to our International Payment Service including reduced fees, faster access to your funds and reduced risk of non-delivery or fraud.

Benefits:

 We will charge a £5.00 administration fee (per transaction) for this service. For most shareholders living outside the UK, this will generally be cheaper than the fees charged by your local bank to convert your dividend cheque into your local currency.*

Receiving your funds direct into your bank account will mean:

 Your dividends are paid as cleared funds, directly to your local bank account giving you faster access to your money than waiting for a cheque to clear.

 Reduced risk of non-delivery or fraud as the funds are sent directly to your bank account, there is no risk of your dividend cheque going missing in the mail or of fraud in respect of cheques.

Am I eligible?

The International Payment Service is available to holders who receive individual dividend or interest payments of £10 or more. Payments of less than £10 and more than £100,000 will be paid by sterling cheque, unless otherwise agreed.

We will pay your dividends or interest payments direct into your bank account in the currencies listed below*:

FAQs

Who are MUFG Corporate Markets?

Listed UK companies are legally required to keep up-to-date records of all their shareholders on a share register. The company you hold shares in is one of over 1,500 UK companies who have chosen us to manage their shareholder register on their behalf.

Who are Deutsche Bank?

Deutsche Bank provides international payment services for commercial and personal customers.

How much does the service cost?

For each dividend payment, we will deduct a £5.00 administration fee. The remaining balance will then be converted into your required currency.

Are there any additional charges that I need to be aware of?

Some local banks deduct an administration fee when receiving international payments. It is your responsibility to understand any bank charges applied by your local bank, prior to agreeing to the terms and conditions of the service. We recommend that you read the terms and conditions.

How do I sign up to the service?

You can sign up to the service by completing, signing and returning to us an international mandate form. Where a company provides a Share Portal, and if you are a registered user of this Share Portal, you may submit details of your international mandate online (this option is not available if you are a joint holder of shares in the company).

If I sign up to the service will my next dividend be paid by my chosen method in the currency requested?

Your international mandate must reach us by no later than the record date determined by the company in respect of a dividend payment. International mandates received after that date take effect from the next dividend payment.

If I hold shares in more than one company can I have all my dividends paid by the same method?

Yes, where MUFG Corporate Markets manages the company's shareholdings. You will be required to provide us with details of all the relevant companies on your international mandate.

What happens if my next dividend is less than the equivalent of £10?

Payments below £10.00 will be paid by sterling cheque.

Can I withdraw from the service in the future?

Yes. You can withdraw from the service at any time. However, your written withdrawal instruction must reach us before the record date prior to a dividend payment, if the service is not to apply to that dividend. Send us your instruction, in English along with your full name, address and your Investor Code (IVC) by post. Your IVC or SRN can be found on your certificate, tax voucher or dividend confirmation.

How will I get my tax voucher?

Your tax voucher will be sent out to you directly at the time of the dividend.

What are my personal details used for?

The details you provide us will be securely passed to Deutsche Bank to enable payments to be made. Deutsche Bank will not use your personal details for any other purpose.

How quickly will I receive the bank transfer?

If you wish a payment to be made directly into your account you will receive your converted dividends two business days after dividends are paid by the company. Please be aware that this may take longer if there is a problem processing your payment or if we have been provided with insufficient or incorrect information.

What happens if I do not receive payment direct into my bank?

If your direct payment fails we will check your original instructions to ensure that there were no errors when registering your mandate. Where errors are discovered we will amend and attempt payment again. If no errors were made by us, we will contact you for new payment details.

What do I need to do if I change banks or bank accounts?

As soon as the details of your bank account change it is your responsibility to notify us, in writing.

Please note, we may require you to provide proof that you are a named holder on the bank account.

2. How to Benefit from the Service

2.1 Who is eligible? The Service is not available to you if:
(a) you are an individual who lives in, or a company which is incorporated in or operates in, any jurisdiction where

your participation would require the Company or MUFG Corporate Markets to comply with legal, regulatory or banking requirements or administrative procedures, specific to that jurisdiction. You must satisfy yourself that under your local law, you are eligible to participate in the Service;

- (b) you are an individual who is under the age of 18;
- (c) your identity cannot be verified, or we are otherwise unable to complete our Know Your Client (KYC), Anti-Money Laundering (AML), or any relevant sanction checks in relation to your payment; or
- (d) you participate in a dividend reinvestment plan (DRIP), a dividend reinvestment scheme (DRIS) or make a scrip dividend election or where you receive Payments through CREST.

2.2 Existing rules, terms and conditions etc.

- (a) If you participate in an employee share plan, scheme or nominee program administered by MUFG CMT, the rules or terms and conditions of the relevant share plan, scheme or nominee program will continue to apply.

By choosing to use the Service, you are electing your money to be paid to MUFG Corporate Markets (UK) Limited being a different party to MUFG CMT. MUFG Corporate Markets (UK) Limited will then process your chosen foreign currency conversion through a Paying Agent and/or any other intermediary agent, often outside of the United Kingdom. In the event of MUFG Corporate Markets (UK) Limited's or the Paying Agent's failure this money may be treated in a different manner from that which would apply if the money was held by an approved bank in the United Kingdom. This means you may not have the same Client Money protections you would otherwise have under the FCA rules, or if the money was drawn directly from a MUFG CMT Client Money bank account.
- (c) MUFG Corporate Markets or MUFG CMT will not be liable for any failure whatsoever, and however caused, by such persons to return your money which is held by them unless it was caused by MUFG Corporate Markets or MUFG CMT's fraud, willful default, negligence or breach of applicable laws and regulations. Your instruction to MUFG CMT to pay your money to MUFG Corporate Markets (UK) Limited will discharge MUFG CMT of its statutory and fiduciary duty in respect of that Client Money.

3. How the Service Works

3.1 The Service allows you to elect to have Payments from

the Company (or MUFG CMT, in the case of the proceeds from a sale of your shares) converted into your chosen Payment Currency and sent to you by Direct Payment by the Paying Agent.

3.2 After deduction or withholding of sums on account of any tax and deduction of the Administration Fee (see clause 5), the Paying Agent will convert your Payment from the Company or MUFG CMT into your chosen Payment Currency and it will then send the balance to you by Direct Payment. The Paying Agent will send the balance to you 2 Business Days after the relevant Payment is received by them, subject to factors outside of their control such as correspondent bank processing.

3.3 Please note that:

(a) the Service can only be provided in respect of Payments of not Less than £10. Payments below £10 will continue to be paid to you via the existing payment method; and

(b) If your Payment is for more than £100,000, the Payment will be paid to you by way of Sterling Cheque unless we have agreed otherwise.

3.4 The IPS Exchange Rate will be applied to conversions of Payments into the Payment Currency and any re-conversion of the Payment Currency into Sterling.

3.5 Please note that exchange rates may fluctuate according to supply and demand, market and economic conditions and other factors.

3.6 The Paying Agent may delay, refuse or be unable to execute payments to you for other reasons including (but not Limited to) sanctions or other Legal requirements affecting the Payment Currency, or where the Paying Agent ceases to provide payments in the Payment Currency. If this happens, the Payment will be in sterling and a direct debit to your UK bank account will be made (if we have these details), or a Sterling Cheque will be issued to your registered address.

3.7 If you elect to receive Direct Payments on your Application and Account Details Form, you hereby acknowledge that:

(a) the bank account nominated on your Application and Account Details Form must be an account you hold either solely or jointly. It is your responsibility to notify us as soon as the details of your bank account change. We may require you to provide proof that you are a named holder on the bank account;

(b) the transfer of monies in certain Direct Payment Currencies requires an international bank account number (IBAN) (this number should be available on your bank account statements or directly from your bank) to be specified on your Application and Account Details Form. You must specify an international bank account number (IBAN) on your Application and Account Details Form (if required). Failure to do so may result in your Application and Account Details Form being rejected;

(c) the transfer of monies in all Direct Payment Currencies

requires the full name and address of the beneficiary bank (this information should be available on your bank account statements or directly from your bank) to be specified on your Application and Account Details Form. Failure to do so may result in your Application and Account Details Form being rejected;

(d) you must hold a bank account in your chosen Direct Payment Currency;

(e) monies sent to you by Direct Payment under these Terms and Conditions will be sent to the bank account nominated by you on the Application and Account Details Form; and
(f) if you elect to receive Direct Payments, such sums may not arrive into your nominated bank account on the same day as the Paying Agent sends such sums to you under clause 3.2.

3.8 If you elect to receive Direct Payments, you hereby acknowledge that if the Paying Agent is not able to pay into your bank account by Direct Payment because of a problem with the account or with information you supplied to us, the payment will be reconverted to sterling and returned to us. We will then contact you for updated Direct Payment details.
